

# OCIS Newsletter (Summer 2016)

Dear OCIS community:

It is our pleasure to send you the first newsletter of the OCIS division. We are planning to generate 3-4 newsletters per year, to highlight various issues related to the annual meeting (call for papers, reviewers, awards, etc.) and to keep you informed on the Division news (governance updates, news).

We hope to see you in Anaheim soon!

*The OCIS Executive Committee*
